

GETTING TO KNOW MYSELF

Learning Objectives

Identifying personality, strengths and weaknesses

Considering life lessons from both fixed and changeable experiences.

Cultivate a truthful, transparent, and confident mindset.

Then, “Who
Am I?”

Most human struggle to find meaning in life. Man is always bound by reason and purpose. He must **have a reason to live**. That is why man questions his own existence.

Self-knowledge is part of the search for “what I live for, why I am here on earth”.

JOHARI WINDOW

Joseph Luft

Harry Ingham

One technique to help people better understand themselves is the Johari window technique.

It was created by 2 American psychologists. Joseph Luft and Harrington Ingham.

Concept of Johari Window

Others See

I See

I Don't See

1 Clear Window

It is a state that can be seen by anyone.

2 Blind Window

Where others see but I don't

Others Don't

See

3 Secret Window

Where I see but others don't

4 Mystery Window

Where are the things that we and other don't know, for example, talents or interests that have not yet been explored.

Definition of Personality

" The dynamic organization within a person as a psycho-physical system that determines their unique way of adjusting to their environment. "

~Gordon Allport

Factors that Shape Personality

Upbringing environment.

equipment repair.

Embracing and Growing Personally

Self-recognition is the beginning of self-growth and development.

Development without self-acceptance leads to frustration.

Recognition without self-acceptance results in anger and disillusionment.

Self-development and self-acceptance is an intermittent process.

Self-Acceptance

"A person's acceptance of all the things that have been attached and become their attributes, both positive and negative."
(Morgando)

Benefit of Self-Acceptance

Overcoming
personal weaknesses

Capable of deciding what
to overlook and what to
address

Self-love

Able to identify what
can be improved and
what must be
embraced

Self-Development

Self-development is an effort to improve the quality and capacity of oneself to become a better person than before so as to experience fulfillment and self-actualization.

How to recognize your potential

Know yourself

Set goals

Learn new knowledge

Open to constructive criticism
and feedback

Networking for Self-
Development
