Win-Win Thinking Concept

**CONSTRUCTIVE
COMPETITION**

VS

**DESTRUCTIVE
COMPETITION**

Constructive Competition VS Destructive Competition

✓ Encourage growth, learning, and striving for excellence.

✓ Helps to recognize self-potential.

✗ Make victory the only identity.

✗ Sacrifice friendships, mental well-being, and happiness.

Everyone grows at their own pace—physically, mentally, and socially. A win-win mindset can be used in all kind of situations. Teens who are compassionate, dedicated to supporting others, and eager to celebrate others' achievements will attract many friends.
