

Active Participation of Youth as Citizen

Learning Objectives

Practice playing an active role as a citizen using the Citizen Voice Action (CVA) method.

Foster an active attitude

How to Encourage Active Participation of Children & Youth

Engage in social & policy projects

Active in peace & non-violence activities

Have a voice in politics & civic life

Become “Architects” of their own lives

Building a better society

Pay attention to public issues & influence policy

Cross-background discussion for mutual respect

Active participation of youth as citizens through the Citizen Voice and Action (CVA) approach

Voice:

Expressing aspirations & opinions in public policy.

Action:

Engage in development and social change.

Citizen:

Encourage other citizens to participate.

Stages in the CVA Approach

1. Enabling
Child
Engagement

3. Improve
services and
Influence Policy

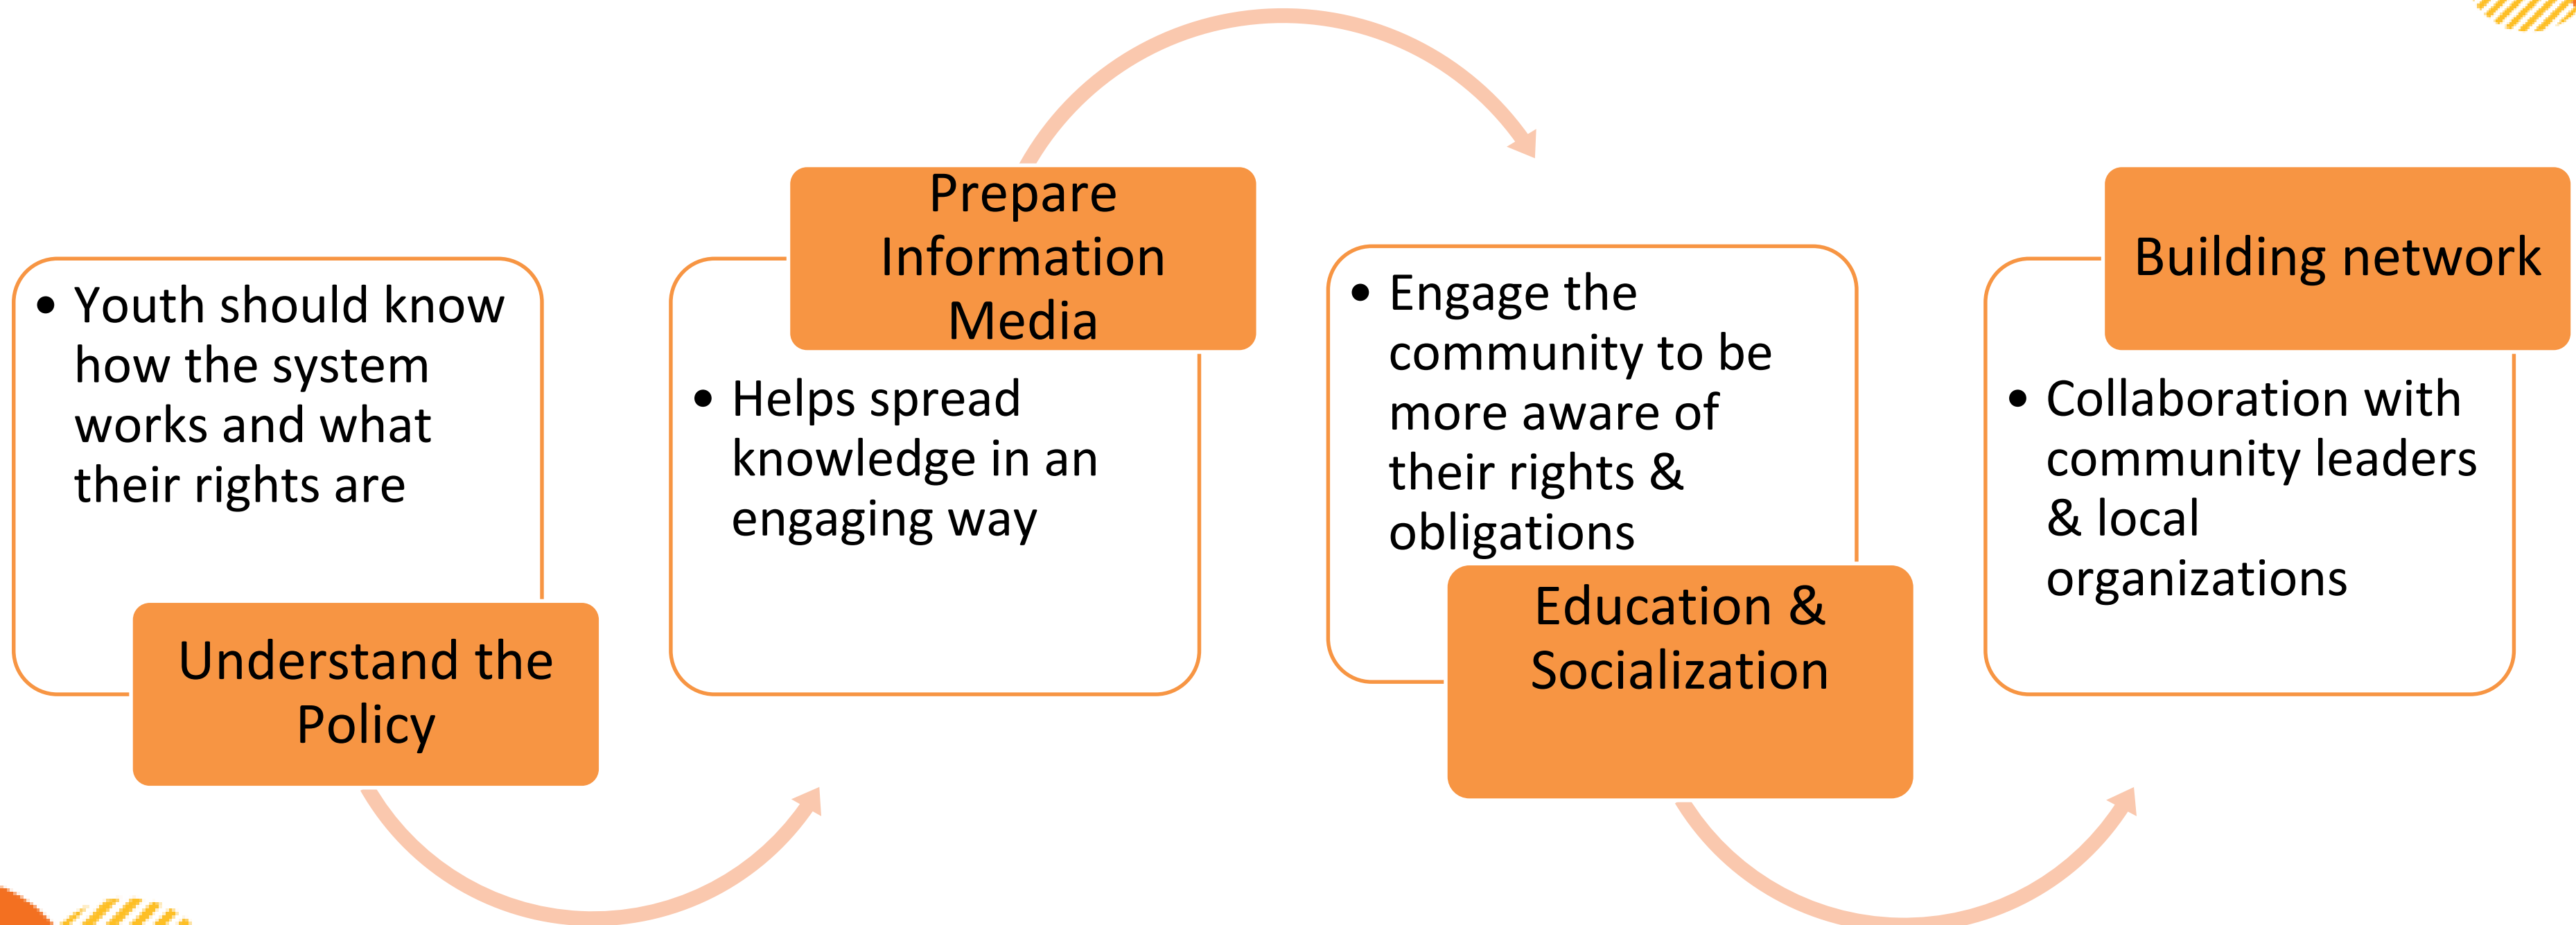

2. Engagement
through group
meetings

Stages in the CVA Approach

1. Enabling Child Engagement

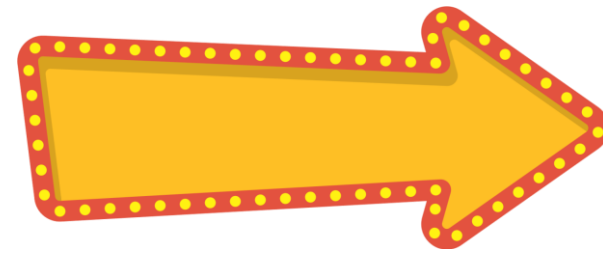

Stages in the CVA Approach

2. Engagement through group meetings

Initial Session

Introducing youth to the agency to understand the services provided

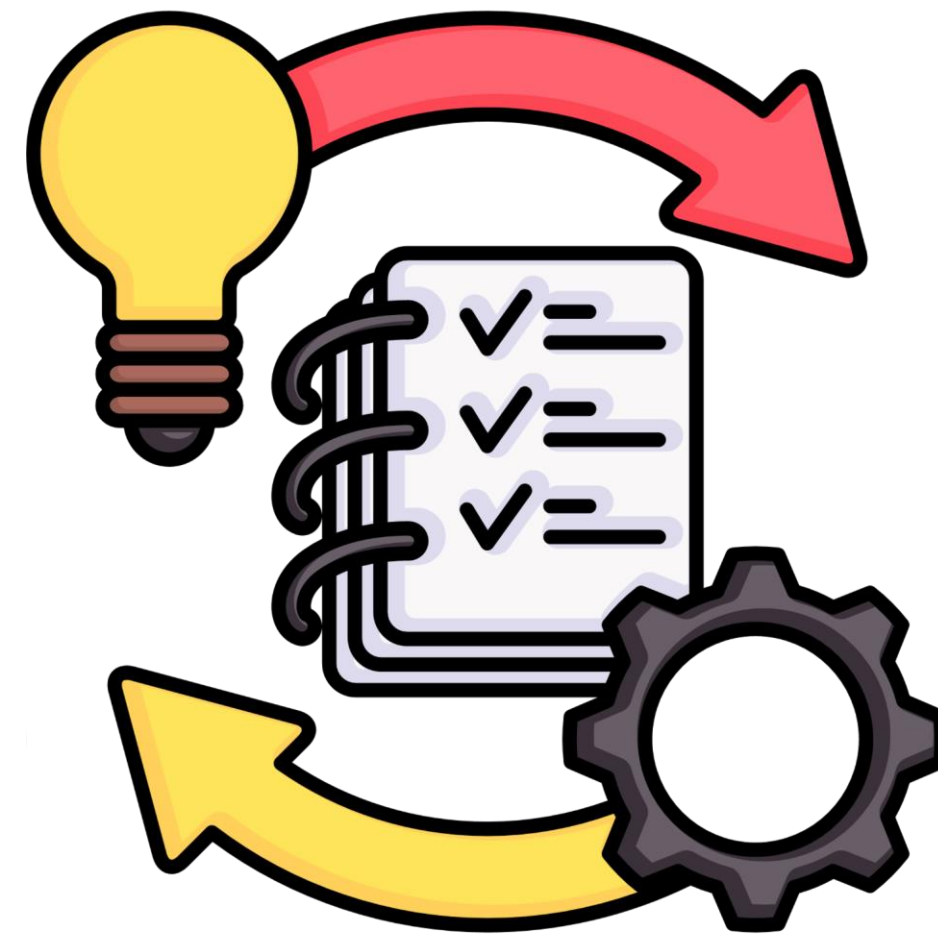

Monitoring Session

Youth and communities compare existing services with government standards, score the services, and develop action plans for improvement.

Stages in the CVA Approach

3. Improve services and Influence Policy

This is the action phase where children, youth and service providers implement the action plan they have created together.
