

Society & Politics in Indonesia

Learning Objectives

Practicing political
participation on social
media

Outline the key
stages of the political
process in Indonesia

Demonstrate critical
and creative skills

Definition of Politics

The Origin of the Word “Politics” from
Greek **Polis** (*city*) → **Politika** (*city affairs*)

So politics is the overall activities in the
state related to the public interest.

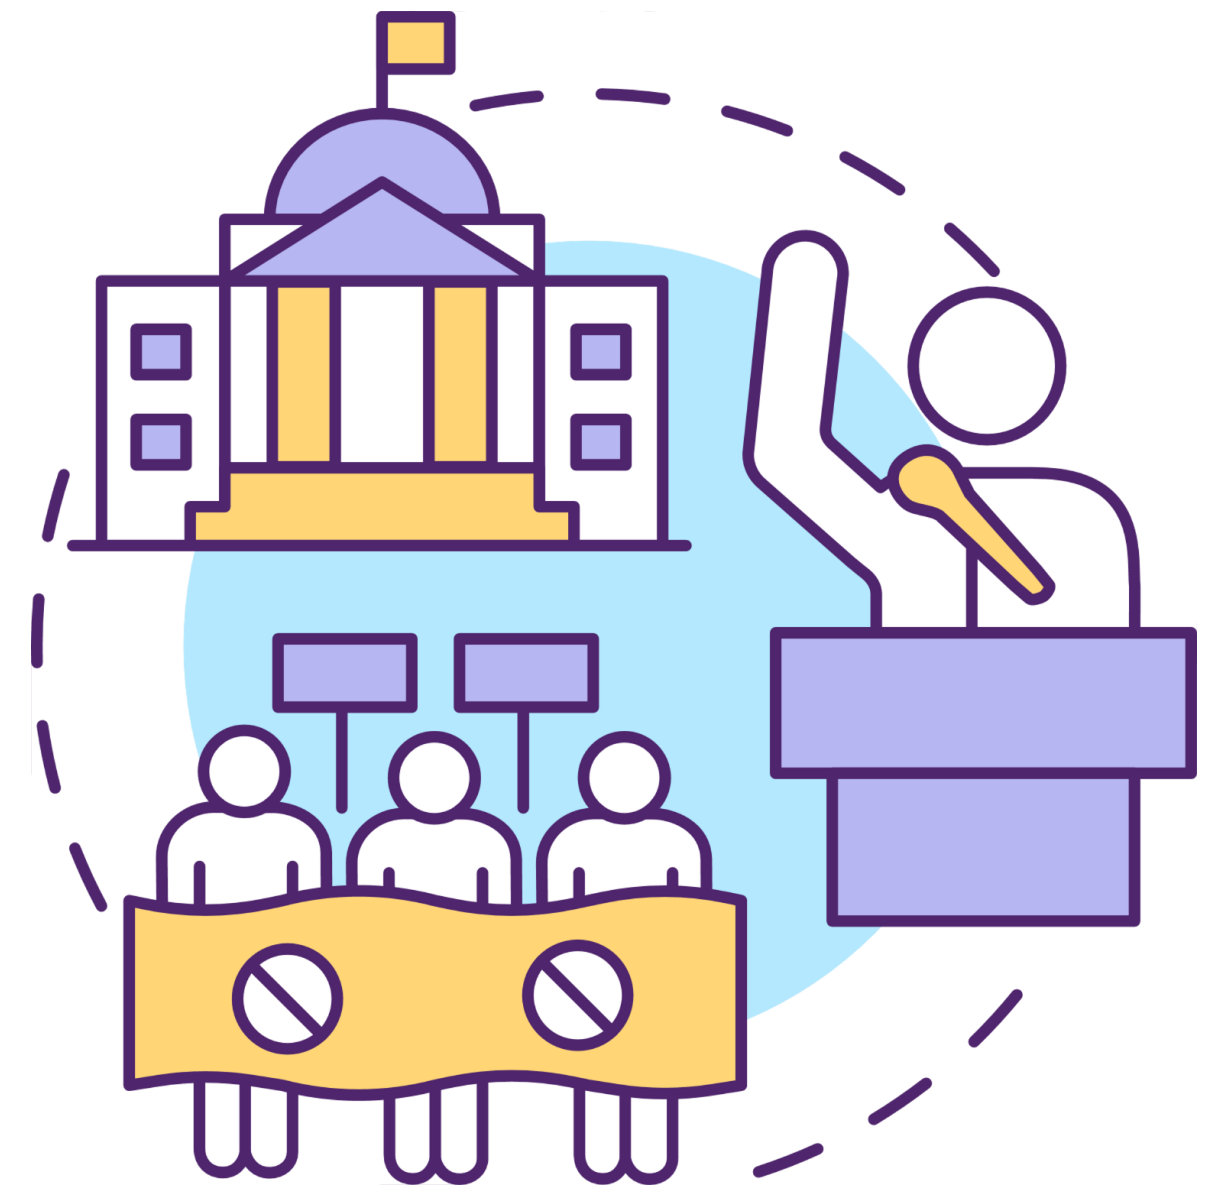

Youth Political Participation

Political Participation is the active involvement of youth in political life, either directly or indirectly.

Why should teens participate?

Politics governs our lives, if we are not involved, decisions can be made by the wrong people.
